

Greater Wilton Woods Citizens Association

Bi-monthly Meeting—May 21, 2002

Presentation by the Northern Virginia Soil and Water Conservation District

Andrea Ceisler, Public Information Officer

Asad Rouhi, Urban Conservation Engineer

Ms. Ceisler gave a PowerPoint presentation on the programs the agency offers, such as stream stabilization and restoration, pond retrofit, storm drain stenciling, and stream monitoring. The agency provides guidance to Homeowner's Associations on topics such as soil erosion, surface water drainage, pond management, and stormwater management. Feel free to contact them with any problem related to soil and water conservation. If they cannot help, they will direct you to the agency that can.

Neighborhood Watch Program

Officer Ed Rediske, Mt. Vernon Crime Prevention Officer, spoke about the benefits of Neighborhood Watch programs. Policing is everyone's responsibility. Do not hesitate to contact the police if you notice something suspicious in your neighborhood.

Training is available from the police on running a Neighborhood Watch program.

Citizens may want to identify a point of contact if folks are interested in starting such a Neighborhood Watch program in Wilton Woods.
