

GWWCA Board Meeting Minutes for July 15, 2003

Intro--President Sam McCutchen introduced the Fairfax County Bike Police Team Leader to the attendees

Presentation conducted by the Fairfax County Bike Police Team Leader Lt. Jim Redfield about the Bike Tour for emergency workers and their families from all over the metro area including police, fire and emergency rescue, doctors and nurses, etc. Emergency workers from across the country participated in the bike tour to and from the World Trade Center in New York City--the presentation was very interesting and the slide show of pictures very entertaining and informative about what rescue workers do and how the events of 9/11/01 affected them and their families. Some of them had lost loved ones too and that was also discussed during and after the presentation.

After presentation discussed the Memorial Garden and available funding.
